

Dr. Scholl's FOOT COMFORT WEEK JUNE 21-26

Foot Sufferers!

Make This Your Foot Comfort Week

Whatever foot trouble you have—from a corn to an advanced flat foot—this is the week to get it corrected and regain complete foot comfort.

From June 21 to June 26, thirty thousand shoe dealers and department stores throughout the United States and Canada will feature foot comfort.

Some of the shoe dealers in your community are among them, are making special efforts to serve you in a distinctive way during this great Foot Comfort Week.

In their stores you will find foot experts, Graduate Practipedists, who will examine your feet and show you the easy and sure way to foot comfort through the use of Dr. Scholl's famous Foot Comfort Appliances and Remedies.

Expert Foot Comfort Service in Your Town

If you have any form of foot or shoe trouble, go to one of these stores—you can tell them by their big educational window displays.

The Graduate Practipedist there understands your foot trouble. He has been trained in the corrective methods of the internationally-known foot specialist, Dr. Wm. M. Scholl himself.

If your feet tire easily, perspire much, get hot and tender, or if your shoes hurt you and do not hold their shape, probably you have weak feet. But you should know. He can tell you. For corns that make you wretched; for sore, tender bunions; for crooked toes and painful heels; for callouses that burn, he knows the easy, sure and scientific way for you to rid yourself of them. Let him demonstrate the Dr. Scholl Appliance or Remedy that will correct your trouble and save you much suffering.

This service will be entirely free. Don't let this opportunity slip by. You can have shapely, strong and comfortable feet so easily, so inexpensively.

The dates again—fix them in your mind—June 21 to 26.

Dr. Scholl's Foot Comfort Week

At Shoe and Department Stores Everywhere, June 21 to 26.

ANTERIOR METATARSAL ARCH SUPPORT.

When the arch across the ball of the foot weakens, the little bones drop down, press hard upon the nerves and cause severe pain, cramping, sore and callous spots. Dr. Scholl's Anterior Metatarsal Arch Support will avert this and permanently correct the cause. \$2.50 to \$3.00 pair.

BUNION REDUCER.

Dr. Scholl's Bunion Reducer takes aggravating pressure off a sore, tender bunion; it hides the unsightly bulge and gradually reduces the growth of it. \$1.00 each, right and left; 75c each; \$1.50 pair.

DR. SCHOLL'S TOE-FLAX.

Distorted or crooked toes (bunions) are soon returned to normal action by Dr. Scholl's Toe-Flax. It softens the skin, reduces the pressure of the toes in shoes. 5c each; 25c pair.

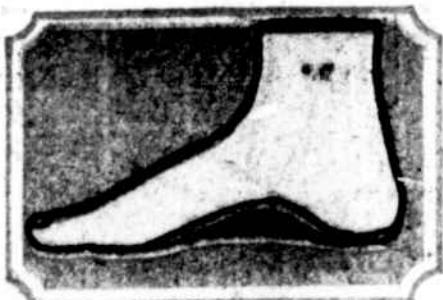

FIXO CORN PLASTERS.

Corns are relieved instantly and removed completely in 48 hours by Dr. Scholl's Fixo Corn Plasters. Apply to the corn. Will not blister or irritate. 10c and 25c packages.

DR. SCHOLL'S WALK-ON-DATE KNEE PADS.

By cushioning the body's weight on the knees, Dr. Scholl's Walk-On-Date Knee Pads prevent sprains, strains, and aches. For men, women and children; 50c pair.

TRI-SPRING ARCH SUPPORT.

Heavy persons whose feet are weak should wear Dr. Scholl's Tri-Spring Arch Supports to prevent "fat feet." Supportive, strong and will hold their shape. \$5.00 pair.

DR. SCHOLL'S BUNION SPRING.

When a great toe has been crooked a long time Dr. Scholl's Bunion Spring is most effective in straightening it. \$5.00 each.

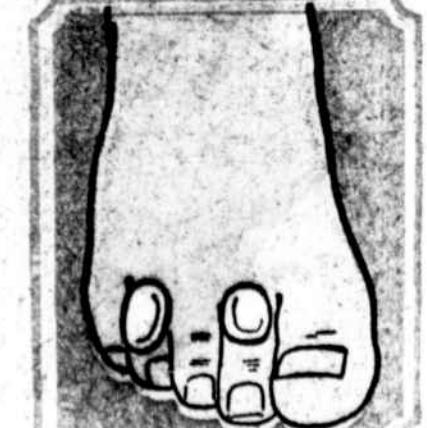

DR. SCHOLL'S FOOT-BAND.

Dr. Scholl's Foot-Band relieves the strain that comes from carrying heavy loads. It supports the arch and evenly distributes the pressure of the body's weight. Light, springy and comfortable. Worn inside shoes or slippers. \$2.50 pair.

DR. SCHOLL'S ABSORBENT PADS.

Corns, tender joints and callouses soon disappear under the antiseptic healing protection of Dr. Scholl's Absorbent Pads. 10c and 25c each.

ZIN-OX CORN PADS.

For corns, callouses, enlarged or tender joints and blisters, Dr. Scholl's Zin-Ox Corn, Bunion and Callous pads give quick and lasting relief. Are antiseptic, healing, and waterproof. Easily applied and they stay on. 50c box.

HOME TREATMENT.
For hot, tired, aching feet, tender or perspiring feet, there is complete relief in Dr. Scholl's Home Treatment—a penetrating healing Foot Soap, a penetrating healing Foot Balm and a Foot Protector ointment and powdering. This treatment should be in every home. Full complete, \$2.00.
